BUILD A REPUTATION.

When you build a model, you build a reputation, too. A reputation for hard work. Care and concentration. Attention to detail.

And when it comes to details, one model company's reputation stands above all the others. MPC. Every MPC model is 100% authentic. Down to the smallest detail.

And MPC has a wide selection of

reputable models to choose from. Including their unique line of '87 American High Performance cars, models of the latest cars in production.

Plus, every kit comes with easy-to-follow assembly instructions. So you know, when it's finished, your model will look terrific. And a good looking model can earn you a good looking reputation.

Just like the real thing. Only smaller.
